In our next issue (May, 1984) we'll include a reporting form for updating personal statistics. Anyone who has not updated numbers since Oct. 1983 will be dropped from further publications on the assumption they do not wish to continue being included.

Also, in the May edition, we'll review ATPAT lists (All Territories and Provinces Added Together) and also handle some of the miscellaneous types of records such as National Parks, Big Days, Totals for Years, etc. So, if you have new figures you wish reflected in the May issue, let us know not later than March 25th. Thank you.

We receive a lot of suggestions on many phases of the interesting and motivating idea of keeping personal lists. It is difficult to reply to all of them. But, be assured we appreciate the input. Whether it relates to a "Big Minute" or a "Big Sit" or any other innovative idea, the whole thing is a lot of fun - which we insist is a most important element of any avocation.
